### III. COLLECTION OF UNION DUES

1. The membership dues, including initiation fees, of District 50, United Mine Workers of America, as authorized and approved by the National Administrative Officers of the Union, shall be checked off the wages of the employees by the Company and shall be remitted by the Company to the properly designated officers of District 50.

2. The Company and the Union agree that there shall be no discrimination against any employee of the Company because of Union membership or lack thereof, and that neither will use any form of intimidation or coercion to induce any employee to join or withdraw from the Union.
